- Accumulation - NBC™, IntelliROL®, Controlled Flow Gravity
- Transportation – IntelliROL, CRUZ®belt, NBC™
- Induction – CRUZ®belt Induction
- Sortation – NBS® Wave, NBS 30, NBS 90, NBS 90SP, ERS, Wheel Diverter
- Pick Zone Module
- CRUZcontrol®
- Unique Concepts
- Application Exercises

## Achieving Conveyor Excellence!

2023 TCI dates include: May 16 and 17 | September 12 and 13

### Schedule:

- Tuesday-Day 1 – Class begins at 8 AM and ends at 5 PM with lunch and a group dinner to follow.
- Wednesday-Day 2 – Class begins at 8 AM and ends at 12:15 PM with an optional afternoon session covering MHdeSign and IPC Lab from 12:15-3 PM
- Laptop required

### Attend:

If interested, your name is placed on a list and a letter is sent via email approximately 10 weeks in advance along with a registration form. Class size is limited, and spots are filled in the order received. Once your registration has been completed and returned, a detailed confirmation email will be sent informing you of a place in the class along with additional details. If the session is full, you will be placed on a wait list and contacted if we receive a cancellation.

- Limit of two people per company, each having at least 1 year experience in the conveyor business.
- Laptop required for TCI

### Travel | Accommodations:

The nearest airport in Muskegon County Airport, 2.4 miles from MHSC. Another option is the Gerald R. Ford International Airport located about 50 miles away. You are responsible for your transportation while attending TCI.

**DO NOT** make any travel arrangements until you have received a confirmation email.

Included in the confirmation email will be a link to book your hotel reservation using our corporate rate at the nearby Hampton Inn in Norton Shores just 2.5 miles from MHS Conveyor.

### Cancellation Policy:

There is not a fee to attend TCI, however, a credit card guarantee is required to register and if you cancel 6 business days or less prior to TCI, a \$200.00 fee will be billed.

Continue building your partnership with  
MHS Conveyor and the staff you can count on!
